

AGENDA

“The State of Commercial Aviation in Europe”

1. The current state of European Aviation - What actions were taken by governments? Was it a unified approach?
2. The immediate impact of the crisis: Renegotiating leases - How can lessors and lessees work together in this crisis?
3. Specific Emergency Measures - What steps are countries taking to handle the crisis?
4. The months to come: Passenger Claims - What's in store for the airlines?
5. The years ahead: Government Assistance for the Airlines - Can it be expected? Will it help?
6. Our Crystal Ball - What does the future look like for Commercial Aviation? How can we have clarity on some of the current measures that are being implemented?
